**OFFENCE PLAY BOOK 1991**

# Copenhagen TOWERS

Navn.....

Denne play-book tilhører Copenhagen Towers. Ved udmeldelse af Copenhagen Towers skal play-book'en leveres tilbage til træneren. Play-book'en må under ingen omstændigheder vises eller udlånes til trænere eller spillere fra andre danske eller udenlandske klubber.

Shifts and motions may be called on any play, from any formation. Rolls may be called on any pass-play from East (Pro-East), West (Pro-West) and I formations. On rolls, right guard pulls pass protect.

Play Action on all pass-plays from East (Pro-East), West (Pro-West) and I formations.

Play Action from 2 Tight End formation: 3-Man and 4-Man both run to left side.

Play Action from single Tight End formation: 3-Man runs to strong side, 4-Man pass protect to weak side.

On pass-plays from One-back formations 4-Man pass protect to weak-side/left side.

All running backs should learn the 4-Man position from One-back formations.

Play Action may be called on all pass-plays from One-back formations.

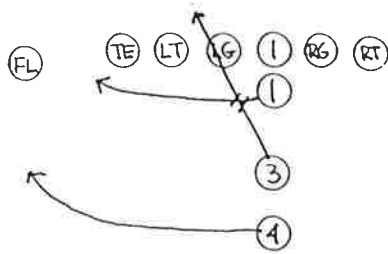

Tight End always pass protect on pass-plays from One-back formations.

All running plays from East/West formations: Also from Pro-East/Pro-West.
